

Lunch arrangements

The school has an agreement with the Turkish-Pizza restaurants on Chemin du Grand Roule for the provision of hot lunches to all students except the children in the Kindergarten group. The restaurant offers a choice of pizzas and hot sandwiches.

The procedure is as follows:

Meals have to be ordered in advance and directly from the restaurant. The children of those families interested in the system receive, towards the end of each month, the menu and a "booking sheet" for the orders for the following month. Parents need to indicate on the sheet what dishes you would like to order for what days, and return the sheet, with a cheque corresponding to the total of the month's order made out directly to the restaurant.

This procedure implies that:

- all ordering and payment relations are directly between the parents and the restaurant; the school's role is limited to handing out and collecting the menus, booking sheets and cheques in classroom or homeroom and transmitting them to the restaurant;
- booking of meals is final; it will not be possible to modify the bookings or change the dates once the form and cheque have been returned by your child;
- reimbursements will not be possible; in case of absence of the child for two or more days amounts paid can be carried over into the following month, provided the restaurant has been informed at least a day in advance.
